Re: Dr. Magee

To Whom It May Concern:

As the Chair and Vice Chair of Palisades Charter High School, I have had the privilege of working with Dr. Magee for six years. And, now as Senior Advisor to LA Unified's Vice President Nick Melvoin, I have the pleasure of working with Dr. Magee again. For over twenty-five years, I have interacted with school leaders and I can honestly say that Dr. Magee is a truly exceptional leader going above and beyond. I highly recommend Dr. Magee to be a member of the State Board of Education Advisory Commission on Charter Schools. She has served on multiple charter advisory committees, presented on governance, and has re-written two charters. She is considered to be a charter leader by many of her peers.

Under her leadership, she single-handedly transformed Pali High. Pali High is a diverse large comprehensive high school with close to 3,000 students from 100 zip codes throughout the Los Angeles area. The amount of effort and thoughtful work that has gone into the many positive changes at Pali High under Dr. Magee's leadership is well documented. Dr. Magee exhibits outstanding results oriented leadership, making great strides to carry out PCHS' school wide goals. She is a phenomenal asset to Pali. She has overseen the creation and implementation of five long-term strategic planning committees aligned to Pali's school-wide goals. She has strategically sought out expert advice and analysis, when relevant, designed to improve the overall instruction and innovation at Pali and made great strides identifying weakness in Pali's staff and infrastructure. Her broad range of skills has had a profound effect on the Palisades community over the last eight years.

One of her most admired traits is her exceptional ability to stay focused, calm, diplomatic and engaged in the face of challenging conflicts and personalities. Dr. Magee has gone above and beyond to improve the climate and culture at Pali. She has also worked strategically with a challenging charter authorizer over the past eight years.

- **Collaboration.** Dr. Magee exhibits enthusiasm, leadership, and a sense of professionalism while collaborating with all stakeholders. She built and maintained collaborative and meaningful relationships with our board, staff, community, parents and students. She has worked with the entire Palisades Complex comprised of five feeder elementary school and a large middle school of 2,200 students.
- **Work Ethic & Goals.** Dr. Magee's work ethic is extraordinary. She exhibits seemingly limitless energy, and organization in tackling these responsibilities. Dr. Magee exhibits outstanding results in establishing and carrying out school wide goals. At Pali, she established procedures/norms to foster a positive school climate and to build trust. She made great strides regarding goals to increase student academic achievement and innovation.
- **Finances and Negotiations.** Dr. Magee has vast experience overseeing large budgets and fiscal solvency. While at Pali she has been successful in negotiating a bargaining unit contract increasing

accountability for staff while ensuring long-term financial stability. Over the last nine years, Dr. Magee has improved Pali's financial accountability and integrity.

In short, Dr. Magee is an outstanding Executive Director and would make an extraordinary addition to the State Board of Education Advisory Commission on Charter Schools. If you have any questions, I would be happy to elaborate on the foregoing.

Very truly yours,

November Transfers

Dear Colleague,

The COP team was informed that November transfers (i.e. STEPS Round #1, PDG, etc.) were not processed before Thanksgiving as planned. As a result, the LAUSD fiscal team has informed us that transfers should now be received by the charter school by the last week of December.

We apologize for the delay in transfers and the inconvenience this causes.

Hi.

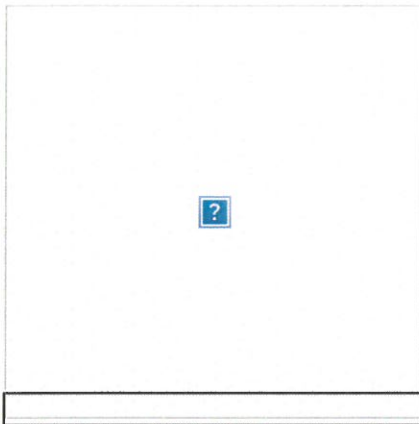

Seems everyone has moved on.

Wanted you to know:

1. I sent Ross Novie \$600 from my personal account for the Award to his daughter and Sophia. If there was anyone who was going to complain, it was Ross and now he is very satisfied and very grateful.
2. I have asked for the email or some other way to get the other 2 competitors their prizes but have not heard back.
3. I am in the process of arranging for a much more powerful non-election civics and public speaking competition as explained in a previous email and will be coordinating with a) The Chief Justice of The California Supreme Court (who is very focused on Civics Education in California), my friend, State Senator Ben Allen, Ted Lieu and, likely, a number of philanthropies dedicated to education. Conan Nolan has expressed interest in talking about this on his weekend show and I will also be highlighting it nationally through my work with "The Hill". I think we all learned a lot from our Youth In The Booth program and these lessons will all be incorporated. I would like to start in January to coincide with the new Congress and what will be an avalanche of new and exciting pieces of legislation being discussed and passed (in The House) by the youngest and most female Congress ever! Let me know when you would like to discuss.

Best,

Richard

Don't want the kids going into their Thanksgiving dinners without being paid. Can I wire or bring over \$1,000 and have you distribute checks as follows:

\$600 to Ella Novie & Sophia Oushani (to share)
\$200 to Brieyanna
\$200 to Daniel

I will write a note to accompany the checks unless you would like it to come from Pali and/or from Allison.

Please advise asap.

Subject: Dear Allison, Pam and John - Resolving the reward issue

Hi. Want to make sure that the students get their financial awards before everyone breaks for Thanksgiving.

See the suggestion and note below from Ross Novie. I am willing to go along with that.

To recap Ross' plan:

1. As there was no speaking competition we revert to the part of the program that was completed, the payment of \$1,000 for the most views.
2. Sophie and Ella, according to Ross, clearly received the most.

3. Ross is willing for them to share \$600 with the remaining \$400 divided amongst the others (most likely \$200 per)

And I would add that the 4 receive some special coaching/treatment/status for the 2019 Competition should we move forward with that.

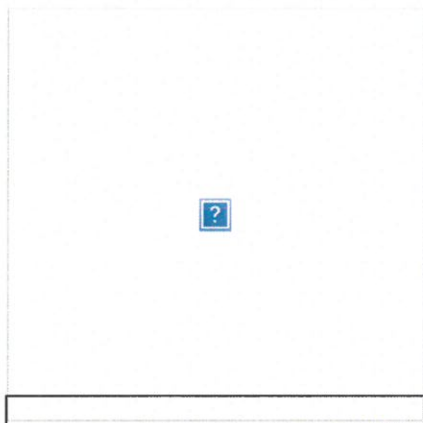

Does everyone agree that we offer this to the students?

What is the best way to get them the money? Checks?

Any thoughts on the suggested program for District 4 beginning in January or soon thereafter?

Best,

Richard

Good morning Richard!

Thank you again so much for reaching out to meet with the girls, and for investing so much time and energy in engaging students. It is such important work, and so appreciated! My daughter Ella is also a member of the Palisades Y Youth & Government Delegation through Pali High school, so she is particularly excited by these kinds of activities.

Our family discussed your email last night, trying to come up with the fairest outcome for the competition that both rewards those who participated while recognizing the fact that participation was far less than hoped for.

We agree that \$2500 is unnecessary based on how the competition ended up. It seems like the \$1000 award for being the student who got the most online engagement for their video is the most applicable one to work with.

By looking at what we could find on Facebook and Instagram, Ella & Sophia's video got over 1000 likes/views and 37 comments on Instagram and Facebook. Daniel Scott got 167 likes / 8 comments on Instagram, and Brieyanna got 27 likes / 6 comments on Instagram. Clearly, Ella & Sophia got the most engagement (and for what it's worth, you can tell they also spent the most time producing their video.)

As a result, it seems only fair that they should get the biggest prize, we're proposing \$600 of the \$1000. That would allow everyone to get something for participating - we'd leave it up to you on how to split the remaining \$400 between Daniel and Brieyanna.

Let me know if that works for you. Your new competition sounds exciting - hopefully it will inspire more students to enter. Again, this is all such critical work for the times we live in.

Best wishes, and thank you!

Very nice to meet you, Ella. Based on the meeting we all had with Dr. Magee I have put together what I think could be a newsworthy event, across the country. Would love your opinion and any suggestions. I know Congressman Lieu and Senator Allen fairly well and believe they will be excited about this.

Also . . . it seems we all agree that the 4 who submitted videos should be compensated and that the new competition should be started from scratch. Is there a level of compensation that you feel is appropriate for each person? Under the original terms only 1 of you would receive the \$2,500 and only after writing, practicing and then delivering the speech in front of a live audience. Looking forward to your thoughts.

"The STUDENT LEGISLATOR Competition"

*Civics Education, Civic Empowerment and Public Speaking Competition for
LAUSD District 4*

January 7 - February 1, 2019

Theme

The 2018 Election is over. Now is the time for new legislators - in Washington, DC and Sacramento, California - to introduce new pieces of legislation to solve the challenges in the country and the state.

And YOU are part of the process!

Your Congressman, Ted Lieu and your California State Senator, Ben Allen, will introduce a bill into The United States Congress or The California State Senate from the winner of this competition. And the winner will also receive an award of \$2,500 and a trip to be with Congressman Lieu in Washington, DC or Senator Allen in Sacramento, California when they introduce the bill.

Here's how to win!

1. Take out your cell phone and record a 1 - 3 minute video on the following topic: **"THE ONE THING I THINK WILL MAKE AMERICA (or California) EVEN BETTER!"** Think big. Dream big. Propose whatever is in your heart. Say it loud and bold and tell us why you feel so passionately about it . . . and a little bit about what would change.
2. Post it on your Instagram, Facebook, Twitter or YouTube account with #StudentLegislatorLAUSD
3. The top 10 will compete in a LIVE competition with Congressman Lieu, Senator Allen and a number of celebrities as Judges.
4. The winner will then sit down with Congressman Lieu's or Senator Allen's team to draft a real piece of legislation that will then be officially introduced and . . . if 217 other Members of The House of Representatives and 60 Members of The Senate and a President (or 20 other State Senators, 41 Assemblypersons and the Governor) agree, your bill can become the law of the land!

Trainings

1. Richard and Chiara (and a Hollywood Celebrity) conduct an Assembly in each participating Middle and Senior High School
2. In Each Session:
 - A. Opening, inspiring few minutes from the celebrity where he or she ACTUALLY DOES A 30 SECOND DEMO VIDEO
 - B. 15 minute overview of Civics (where the students decide on their topic)
 - C. 15 minute overview of The 7 Secrets of Great Public Speaking
 - D. 15 minutes to DO THE VIDEO on the topic they just picked and to not leave until they upload to #YouthInTheBooth2020

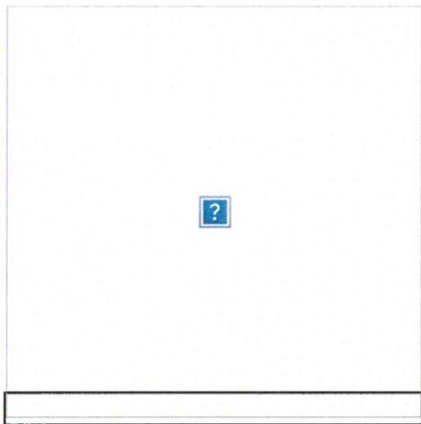

Details

1. Videos are all put up on the YouthInTheBooth site and are voted on by all students in District 4
2. 25 Semi-Finalists are chosen
3. Students vote on the 25 Semi-Finalists and select "The Top 10"
4. Congressman Lieu, Senator Allen, a number of celebrities and student leaders choose the winner.

Winner gets \$2,500 and a trip to either Washington, DC or Sacramento, California with a parent or adult guardian.

Best,

Richard

I worry that this almost sounds threatening. Also four schools competing between

themselves is not much of a competition. I do appreciate that they will allow top scoring schools to join State if they get enough points. I'd be curious to see this full plan envisioned. Also, what if only two schools join or one? Would there be the November scrimmage?

Was there any discussion to join LACOE?

Hi Joel,
Thanks for the update. I am adding Chris Lee to this email thread to bring him up to speed on the proposed changes. Sounds like similar discussions have taken place before. This might be the right time to make a change.
I'll be around Pali Monday and Tuesday, so I can be part of a conference call if one is coordinated.

~ November 16 @ 8:15 AM

Hi everyone,

The Southern California Regional Coordinator, JoAnn Schnelldorfer, is in **support and welcomes** the opportunity to host the independent charters from LAUSD this year.

Additionally, JoAnn is open to change the name from Southern California Provide (So Cal Private) to **Southern California Region** (So Cal Region). So Cal Region will host two divisions, Private and Charter. Each division will have separate awards. The champion from each division will be represented at the state championship. Because So Cal Region is chartered with CAD, teams in the region that did not win their division but have high enough scores will be eligible to advance to the state championship as space warrants.

This would be considered a permanent option for all independent charters within Los Angeles and nearby regions (based upon competition guidelines for those regions).

The four Independent Charters of LAUSD have until November 29 to report their decision to Kathy Gonnella, LAUSD's regional coordinator, and Ken Scarberry, CAD's executive director.

NOTE: CAD's Board of Directors declined the option of grandfathering teams to the state championship. Schools must compete in a CAD sanctioned regional competition to be eligible and advance to the state championship and be eligible for the national competition.

Hi Ken,

Again, thank you for taking the time to discuss the options with us. Can you please clarify option three? Would this be an option to participate this year only with them or is this a permanent option? If this is not a permanent option, then what happens in 2020? Or will charters be completely excluded from competing?

Just a concern for the future. Again, thank for all you do,

Warm regards,

Thank you all for joining the conference call. Lauren we all missed having you on the line; however, Kathy and/or Luis will be in touch with you.

Below is a brief recap (homework):

1. Charters will need to speak with their executive director/governing board to decide if they will support LAUSD by remaining in the district this year.

If so, this would mean you would voluntarily participate along with the public LAUSD schools in the strike and the impact it will have on them with Academic Decathlon.

If your school chooses to leave the LAUSD regional competition and not participate along with the LAUSD schools – there is an understanding that your school will not be invited back in future years to participate in the regional competition.

Charters have until November 29 to submit their decision to Kathy Gonnella.

2. CAD's Director will meet with the CAD Board of Directors:
 - a. Provide an update from the call today.
 - b. Discuss the option of Grandfathering in LAUSD schools that have a long history of attending state
3. CAD's Director will meet with the SoCal Regional Coordinators to follow-up on their willingness to host the four Independent Charters this year.
4. CAD will follow up with this group on this email by Monday, November 26 with updates to help LAUSD / Charters finalize their decision as to the direction they will proceed.
5. Charters have until November 29 to inform Kathy Gonnella of their decision to remain with LAUSD this year or to leave the region to compete this year.

Hello All,

Yes we here at Palisades would like to know how the strike would impact not only LAUSD Acadec teams, but the charters as well. Can we have a conference call soon. Parents are asking me as well. As of now, we are still preparing for the Jan. City competition. Although the strike is eminent, and while we support our LAUSD brothers and sisters, I would hope that the competition would still continue as planned.

Thank you for bringing this up, Julia. I have been pondering this since October. I was going to ask:

1. If charter schools or LAUSD schools could qualify for state with scores gained from other counties. For example, my team would participate in Ventura (waiving the right to medal so we do not impact their natural competition) but use our team score to qualify for state.
2. Can we be waived into the state competition as wildcards based on previous year's performance?

Hi Ken,

I hope all is well with you. This Saturday, LAUSD held its scrimmage. We were told by Kathy Gonella, that if LAUSD strikes, it will be in January and all activities will be canceled including the Academic Decathlon Regional Competition. Needless to say, the independent charter schools are concerned. We all have separate bargaining agreements and will not be on strike. I am copying the other conversions because I am not sure if they heard what we heard. I am sure they would be as concerned as we are. I am also sure that the LAUSD teams are very impacted by the impending strike.

If there is a strike, Would teams be able to compete with the country? Or could we hold a charter school regional competition? Or any other idea? We are very open to your suggestions. This is a very stressful situation for all.

Thank you for all that you do to support our teams. I look forward to hearing from you.

Subject: Application for SBE Advisory Commission on Charter Schools

Hi Allison and Leslie,

I am applying for a position on the State Board of Education (SBE) Advisory Commission on Charter Schools. Here's the description of the position:

Advisory Commission on Charter Schools - State Board of Education (SBE) seeks applications to fill vacancy on the Advisory Commission on Charter Schools (ACCS). The SBE is recruiting individuals who are representatives of a charter school to serve on the ACCS. The role of the ACCS is to support the SBE. The SBE has policy-making authority on a number of issues related to individual charter schools and the California charter system as a whole. Upon request by the SBE, the ACCS shall advise the State Board on all aspects of the State Board's duties under the Charter Schools Act of 1992. The SBE office will accept applications that are received by 5:00 PM on Monday, December 3, 2018. Information about the application process may be found at <http://www.cde.ca.gov/be/cc/ab/>.

The application requires two letters of recommendation. I think you could both use the letters you wrote for me last year with some very minor adjustments. Here's the description included with the application:

Please enclose (or have sent to the State Board of Education) two letters of recommendation. One of the letters must come from your employer (if applicable); the other should come from someone (not related to you) who knows you well and is able to comment on your qualifications to be a Commissioner. If you are employed by a local educational agency, the employer letter must come from the agency's chief administrative officer (typically the superintendent or Director) and must (1) recognize the additional workload you would experience if appointed, and (2) acknowledge that the state will not provide reimbursement for the cost of any substitute personnel that may be needed either because of an interview (to which you may have been invited in connection with the selection process) or, if appointed, because of your service on the advisory body.

I'll need to submit my materials (or you can submit directly to SBE) by Monday, December 3.

Thanks in advance for your support and help!

Application Open: Legal Assistance Pool

Dear Colleague,

The COP maintains a pool for the purpose of funding extraordinary, one-time costs associated with a special education-related legal action against a charter school that progresses to the hearing stage in either an administrative or judicial court. As an FYI, the Legal Assistance Pool will not fund costs associated with the initial response or negotiation of a due process complaint.

If you feel as though your school might qualify for assistance, please complete an application at: <https://tinyurl.com/2018-19COPgrants>. **The Legal Assistance Pool application will close January 6, 2019.**

Reach out to [Dixon Deutsch](#) should you have any questions on this assistance pool.

However, some seniors will be accepted as well. YLF applications must be completed electronically and emailed to ylf@dor.ca.gov. The deadline to apply has been extended to November 25. Subject: Pali update - Memo sent to parents in English and Spanish

*Hi Allison,
I meant to send this to you earlier. Here's the message Pali sent out this evening.
Pam*

Dear Pali Community,

We hope that those who are most impacted by the fires are now safe and in more stable situations. We continue to monitor conditions around and in route to Palisades Charter High School and believe that air quality and other circumstances are such that we can return to school tomorrow. Here are the most important details to know:

- **School will be in session tomorrow, Wednesday, November 14.**
- Air quality has been good at the school site for the past 48 hours; we have no reason to believe that tomorrow will be otherwise.
- We will continue to monitor conditions and will send out alerts should there be significant changes.
- PCHS will follow an **ODD day schedule** on Wednesday, November 14 and end the semester with an EVEN day on December 10 prior to finals.
- Students who take PCHS School Buses from ATS will be notified if there are any changes to routes or schedules. As of now, the Topanga Routes 910 in AM and 933 in PM are the only buses with an alternate schedule/stops than usual. Messaging will be sent directly to the 910/933 Route families that are impacted. All others buses will run as normal.
- Students who must miss additional days of school due to fire related issues will be able to appeal and clear these absences.
- Students and parents are encouraged to contact counselors, teachers, and/or administrators for assistance with academic and emotional needs resulting from fire related situations. PCHS has a strong support network. We are here to help when we know that help is needed.

- The American Red Cross Evacuation Station will continue on campus through the end of the week. PCHS is working closely with ARC staff to ensure safe conditions for students with no disruptions to school activities.

PCHS appreciates the concern, compassion, and patience demonstrated by our school community during this challenging time. We are truly grateful for all who have provided for the safety of our families and for those who have given support for those impacted by the devastating fires.

With gratitude,

PCHS Administration

Hi Jose,
I wanted to let you know that Palisades Charter High School will be open tomorrow. The America Red Cross Evacuation Center is still on site and most likely will be through the rest of the week.
Best,

Subject: Hi. Here is my draft of the January 2019 Competition - I think I can get Ted and Ben - Thoughts?

"The STUDENT LEGISLATOR Competition"
Civics Education, Civic Empowerment and Public Speaking
Competition for LAUSD District 4
January 7 - February 1, 2019

Theme

The 2018 Election is over. Now is the time for new legislators - in Washington, DC and Sacramento, California - to introduce new pieces of legislation to solve the challenges in the country and the state.

And YOU are part of the process!

Your Congressman, Ted Lieu and your California State Senator, Ben Allen, will introduce a bill into The United States Congress or The California State Senate from the winner of this competition. And the winner will also receive an award of \$2,500 and a trip to be with Congressman Lieu in Washington, DC or Senator Allen in Sacramento, California when they introduce the bill.

Here's how to win!

1. Take out your cell phone and record a 1 - 3 minute video on the following topic: **"THE ONE THING I THINK WILL MAKE AMERICA (or California) EVEN BETTER!"** Think big. Dream big. Propose whatever is in your heart. Say it loud and bold and tell us why you feel so passionately about it . . . and a little bit about what would change.
2. Post it on your Instagram, Facebook, Twitter or YouTube account with #StudentLegislatorLAUSD
3. The top 10 will compete in a LIVE competition with Congressman Lieu, Senator Allen and a number of celebrities as Judges.
4. The winner will then sit down with Congressman Lieu's or Senator Allen's team to draft a real piece of legislation that will then be officially introduced and . . . if 217 other Members of The House of Representatives and 60 Members of The Senate and a President (or 20 other State Senators, 41 Assemblypersons and the Governor) agree, your bill can become the law of the land!

Trainings

1. Richard and Chiara (and a Hollywood Celebrity) conduct an Assembly in each participating Middle and Senior High School
2. In Each Session:
 - A. Opening, inspiring few minutes from the celebrity where he or she **ACTUALLY DOES A 30 SECOND DEMO VIDEO**
 - B. 15 minute overview of Civics (where the students decide on their topic)
 - C. 15 minute overview of The 7 Secrets of Great Public Speaking
 - D. 15 minutes to **DO THE VIDEO** on the topic they just picked and to not leave until they upload to #YouthInTheBooth2020

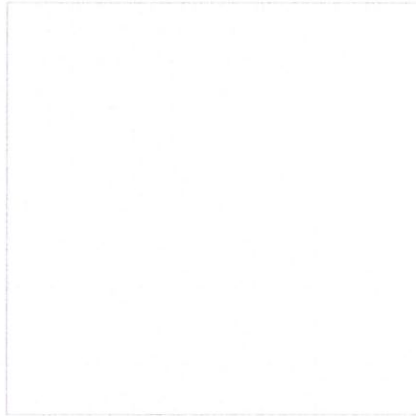

Details

1. Videos are all put up on the YouthInTheBooth site and are voted on by all students in District 4
2. 25 Semi-Finalists are chosen
3. Students vote on the 25 Semi-Finalists and select "The Top 10"
4. Congressman Lieu, Senator Allen, a number of celebrities and student leaders choose the winner.

Winner gets \$2,500 and a trip to either Washington, DC or Sacramento, California with a parent or adult guardian.

Best,

Richard
